*This year, set aside a holiday weekend just for the family!*

In our busy, modern lives we all seem to have far too many distractions that pull us away from the things that really matter. We say family - foremost!

Quality time with the family when you can all be together seems harder and harder to find. But, the YMCA has a solution - a tradition that spans seven decades.

**Arts and Crafts Weekend** - Interested in Scrapbooking, Quilting, crafts of any kind? Are you and your friends looking for some peace and quiet to focus on what you love? Here at camp we will take

care of everything for you, providing meals, lodging, a place to work on your projects with plenty of activities available when you want to take a break.

**Women's Wellness Weekend** - Looking for a weekend where women have a opportunity to spend time together in the outdoors? All activities are outside, social and designed to provide a retreat from daily life. "Get away from it all" with other like minded women.

**Grandparents Weekend** - Grandparents, what better way to spend time with your grandchildren than spending a weekend away with them at camp! All activities available at our traditional family camp weekends will be available this weekend.

## Facilities

Don't worry. These ain't old camp tents! Our cabins are heated and have full bathrooms and bunk beds that hold up to 12 people. Village assignment choice is on a first come first served basis. Beds and mattresses are provided but you should bring either sleeping bags or sheets and blankets, pillows, etc. Families bringing a pet must notify us in advance and will be assigned only to accomodation in areas with other dog owners, and only as space there permits.

## Meals

Leave the pots and pans at home! No one is stuck cooking or cleaning the dishes here. Meals are prepared by the the Camp Mason professional food service staff and served buffet style. Plenty to eat, and plenty of selection. No one goes hungry. All we ask is each family clear their own table after the meal. A cereal and salad bar is available at all meals.

## More ways to save!

For families that do not mind sharing a cabin Camp Mason offers an additional 10% off the balance of the weekend. Guests are welcome to bring family, neighbors, grandparents and even friends of the kids for the weekend.
